

QA Officer

MedPharm Ltd is an innovation-driven pharmaceutical development company committed to the identification, creation and development of unique therapeutic systems for topical use specialising in drug delivery to the skin, nail, mucous membranes, eye, nose and lung.

We are seeking a dynamic, highly motivated candidate with a proven capability in a Quality Assurance role with the ability to set and reinforce high standards with a view to developing and maintaining MedPharm's Quality Management System. Flexible working hours would be considered.

Candidates will not be considered unless they meet the following criteria:

- Minimum 5 years experience in Quality Assurance in a Pharmaceutical Development environment
- Experience of GLP compliance and auditing essential.
- Knowledge of GMP compliance for contract analytical testing laboratories essential

*Suitably qualified applicants should email beth.schulten@medpharm.co.uk requesting an application form. For further information please visit our website www.medpharm.co.uk. Please note non-EU residents are required to have a valid work permit for working in the UK. **Deadline for applications is 30 January 2009***
